

## Supply List for Mystery Quilt with Gina Darlington

*This is not your grand-mothers star quilt. It's a mystery quilt that reaches beyond the galaxy. The result is a one-block quilt that will have you seeing stars! The fabric requirements are for a 67" x 84" size quilt.*

### Supplies

- \* Rotary rulers and 4.5" and 12.5" Squares if desired
- \* A 4.5" x 2.5" right angle triangle template

*I use Marti Mitchell's Perfect Patchwork Set D template #23. Or bring template material to make one in class.*

- \* Rotary cutter (with a new blade)
- \* Rotary Mat
- \* New machine needles
- \* Neutral colored cotton thread
- \* Bobbins filled with above thread
- \* Sewing Machine, cleaned and oiled with manual and accessories including a 1/4" foot
- \* Ironing pad and iron (if you have it)
- \* Paper Scissors
- \* Straight pins

### **\*Pre-cut fabric – see below**

#### **Fabric**

*This quilt is made with all three values – light, medium, dark. It is best if prints are small to make the fabric look almost solid-colored. Batiks are awesome for this. Large scale prints don't work as well. For a scrappy look, bring your stash. I made mine with red, white, and blue, but spring floral colors will create a totally different look.*

#### **The fabric totals are broken into "block" fabric and "border/finishing" fabric.**

- \* **Light (background)** 3 yards for blocks (*my white*)
- \* **Medium-dark** 1.25 yards for blocks plus 3/4 yard for inner borders=2 yards (*my red*)
- \* **Dark #1** 1.25 yards for blocks, .75 for binding = 2 yards (*my blue*)
- \* **Dark #2** 1.5 yards for outer borders
- Backing 5.25 yards
- Twin size batting

#### **BLOCK Pre-cutting to be completed BEFORE you come to class**

\*WOF = Width of Fabric

**Light:** Cut two strips 18.25" x WOF\*. From those strips, cut three 18.25" squares and two 9 3/8" squares  
Cut ten strips 4.5" x WOF  
Cut five strips 2.5" x WOF

**Medium:** Cut seven strips 4.5" x WOF  
Cut three strips 2.5" x WOF

**Dark:** Cut eight strips 4.5" x WOF  
Cut three strips 2.5" x WOF

*Border and binding cutting instructions will be included in the class.*
